Joint Director of Census Operations
Jammu and Kashmir

PREFACE

This is a special publication presenting the 1981 Census total population and scheduled caste population of the State, districts and Tehsils down to village/urban block level to meet the requirement of data users interested in figures of population at village/ward level. This requirement could have been served by the 1981 District Census Handbooks which contain comprehensive basic information about population by sex including literacy and work participation but the printing and publication of these handbooks which is the responsibility of the State government will take some time. Until these handbooks are published, it is hoped that the present volume will serve a useful purpose to feed the urgent requirement of all data users.

The Director of Census Operations Shri A. H. Khan, under whose guidance the entire census operations were carried out, deserve all credit for the success of the operations but he had to leave the organisation because of superannuation before this paper could be made ready for the press.

I must record my deepest sense of gratitude to Shri V.S. Verma, Registrar General, India and Shri V.P. Pandey, Joint Registrar General, India for their valuable guidance and for having agreed to bring out this special paper even in deviation of the approved census publications programme and arrange for its printing on a priority basis through the Printing Division of the Registrar General's Office under the supervision of Shri Tirath Dass, Joint Director. Shri Madan Singh, Senior Research Officer of the Registrar General's Office has also helped in bringing out this paper.

I am also thankful to S/Shri Shamus-ud-Din, Tabulation Officer and Mohammad Yousuf Zerger, Assistant compiler who took special pains to recast the manuscript, under the supervision of Shri H. L. Kalla, Deputy Director.

GENERAL NOTE

The 1981 Census enumeration was conducted during February—March 1981 with the sunrise of March 1, 1981 as the reference point of time. However, in Jammu and Kashmir the enumeration was carried out from April 20 to May 10, 1981, the reference point being the sunrise of May 6, 1981. The revisional round was from May 6 to May 10, 1981. This was due to unfavourable weather conditions that prevailed in February 1981 in the state of Jammu & Kashmir. Similarly, the census could not be taken in those areas of Jammu & Kashmir which are under unlawful occupation of Pakistan and China.

The present paper presents two tables which give the general population and Scheduled Caste population by state, district, tehsil, village, town and ward.

The data presented in this paper are based on Individual Slip (Universal).

The list of Scheduled Castes as notified under the Constitution (Jammu & Kashmir) Scheduled Castes Order, 1956 C.O.521 is given below :

1. Barwala
2. Basith
3. Batwal
4. Chamar or Ramdasia
5. Chura
6. Dhyar
7. Doom or Mahasha
8. Gardi
9. Jolaha
10. Megh or Kabirpanthi
11. Ratal
12. Saryara
13. Watal.
